EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Wei Te Chung on September 14, 2004.

The application has been amended as follows: **In claim 1**, line 9, deleted "." and inserted - - ; wherein the contacts are grouped into a first, a second and a third set of contacts respectively received in the first, the second and the third tongue sections: wherein the tongue portion comprises a first surface and an opposite second surface both extending in a longitudinal direction of the tongue portion, and wherein the first and the second sets of contacts are located in the first surface of the tongue portion and the third set of contacts are located in the second surface of the tongue portion. - - ; in claim 8, line 1, changed numeral "6" to - -1- -; **in claim 14**, line 12, deleted "." and inserted - - ; wherein the first contacts comprise a first, a second and a third set of first contacts respectively received in the first, the second and the third tongue sections, and wherein the first and the second sets of first contacts are arranged on the same row and the third set of first contacts are arranged on a second row; wherein the thickness of the third tongue section is greater than each of those of the first and the second tongue sections.- - ; **in claim 19**, line 5, after "defining" deleted "at least", after "first" inserted - - , - - , before "second" deleted "and", after "second" inserted - - and third - - ; **in line 9**,

after the first occurrence of "first" inserted - - , - - , before "second" deleted "and", after "second" inserted - - and third - - , after the second occurrence of "first" inserted - - , - - , before "second" deleted "and", after "second" inserted - - and third - - ; **in line 10**, after "said" inserted - -first, second and third- - ; **in line 12**, deleted "the" and inserted - - said first, second and third- - ; **in line 14**, deleted "all" and "both", after "are" inserted - - all - - , after "said" inserted - -first, second and third- - ; and in line 15, after "board" inserted - - ; wherein, a thickness of said second section is larger than those of the first and third sections- - ; **and claims 6,7,17 and 18 are canceled.**

Allowable Subject Matter

Claims 1-5,8-16 and 19-21 are allowed.

The following is an examiner's statement of reasons for allowance: regarding claims 1 and 14, patentability resides, at least in part, in the housing having a tongue portion comprising three sections, the third section connecting the first and second sections, wherein the thickness of the third section being greater than the other sections, in combination with the other limitations of the base claims, and regarding claim 19, patentability resides, at least in part, in the housing having contacts with mating contact portions exposed to an exterior and tail portions located on the same plane, a tongue portion comprising three sections in sequence along a longitudinal direction, wherein the thickness of the second section being greater than the other sections, in combination with the other limitations of the base claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
